Remarkable for its cool marine breezes, volcanic soils and high elevations ranging from 1,800 to 3,000 feet, High Valley AVA remains an unbeatable North Coast winegrowing region, well off the beaten path. The largest natural lake in California, Clear Lake, wraps around the AVA and our region boasts the cleanest air in the state. Brassfield Estate wines are fruit-driven, balanced and delicious. Our Winemaker, Carlos Valadez, has generational roots at Brassfield Estate and is focused on sustainable viticulture practices and classic winemaking technique.**

### FRUIT

100% Pinot Gris

### VINEYARD

Our home ranch on the westside of the High Valley AVA has been known as “High Serenity Ranch” for over one hundred years. The blocks planted to this idyllic site include Pinot Gris, Sauvignon Blanc, Viognier and Gewurztraminer. Each block is comprised of ancient lakebed and alluvial soils from the surrounding mountain range. The transverse valley winds create some of the coolest sites in Lake County. The lower temperatures on the valley floor allow for diurnal temperature swings of more than forty degrees, enhancing flavor development while the retaining a crisp acidity.

### WINEMAKING

We harvest our grapes early in the morning to ensure peak acidity and freshness upon arrival to the winery. After gentle pressing, we allowed the juice to cold settle overnight. The next day we racked the juice off heavy lees and fermented in small stainless-steel tanks. Sur lie aging with battonage (lees stirring) once a week in tank creates additional body, texture and viscosity in the wine. This wine was aged six months, lightly fined and filtered before bottling for maximum freshness and brilliant clarity.

### TASTING NOTES

Sophisticated, lively and floral, our 2021 Pinot Gris combines apple blossom and golden pear with a flinty minerality. This wine is round and crisp on the palate with flavors of green apple and tangerine. The citrus notes hold strong through the finish due to a bright acidity.
