

TED RED

Jerry's father, Ted Brassfield always loved a quality, affordable wine. TED Red was crafted in his honor.

BACKGROUND

Growing up in a small town in the central valley, Jerry Brassfield was introduced to farming at an early age. He can be seen on the TED Red label with his watermelon wagon alongside his father, Ted and younger brother, Bob. Jerry carted this wagon door to door around the neighborhood to sell his homegrown fruit. These early experiences primed Jerry for a life of entrepreneurship and instilled a love for farming. TED Red has been created on the premise Jerry learned from his father, Ted and their farming roots: quality should be affordable.

TASTING NOTES

TED Red is a no holds barred Red Blend. Our 2021 TED is crafted from 100% California grown grapes. This is a full-flavored wine that emphasizes sweet strawberry jam and cherry cola aromas. American oak spice shows strongly on the sip where clove and allspice mix with sweet berry flavors. Ready to drink, and perfect to enjoy with burgers and ribs at your next BBQ.

TECHNICAL NOTES

pH: 3.72 | Alcohol: 14.5%
