Our Trio of Cabernet: Elevated. Estate-Grown. Exceptionally Crafted.

At Brassfield Estate Winery, our Cabernet Sauvignons are a true reflection of our high-elevation vineyards and sustainable craftsmanship. With bold fruit, structured elegance, and age-worthy complexity, our Trio of Cabernet offers three distinct expressions of our estate—each with its own story, but all grounded in excellence. Each of our wines is 100% Estate Grown, Produced, and Bottled on our High Valley estate.
